## **Updated In-Person Guidelines for Westwood Baptist Church Disciples and Guests**

### **Prior to your Visit**

If you do not feel well, please stay home.

If you have exhibited symptoms of COVID-19 in the previous (10 ) days or have been in contact with someone with COVID-19 in the previous (05) days, please stay home.

Vaccinations and booster shots are strongly encouraged.

### **What to expect When you arrive**

1. Please read the COVID guidance posted outside the entrance before you enter.

2. To ensure timely entry, please arrive early. Once you enter, move swiftly through the registration process to avoid crowding in the lobby.
3. Enter the double doors on the Glenburnie Road side of the Church with your mask on. All disciples and guests must keep masks on during service. KN95 or N95 masks are strongly recommended. The church will have extra masks available.
4. All disciples and guests must sign in before entering the sanctuary at the Welcome Center.
5. You are encouraged to sanitize your hands. Hand sanitizing stations are available at various locations in the vestibule, Welcome Center, and restrooms for you to use.
6. You will be escorted to your seat in the sanctuary to the unreserved pews. Please sit close to the farthest end of the row and observe your distance between persons not in your party.
7. To the maximum extent possible, indoor ventilation will be optimized to increase airflow with air purifiers located throughout the sanctuary.

8. In-person disciples and guests, please leave your offering envelope in the baskets or pay online at the church's website through PayPal.
9. We will not be distributing handouts, bulletins, or using hymnals to ensure we provide a contact-free environment as possible.
10. All disciples and guests must exit the sanctuary promptly as directed after the benediction. Please resist the natural inclination to hug and shake hands.

**Please Note: The protocols currently in place are subject to change in compliance with revisions to national CDC, state, and local guidelines regarding COVID-19.**

**Thank you,**
